Workshop on Advance in Nonlinear Dynamical Systems, Complex Networks and Applications *DySyX'2022*

May 12, 2022, Faculty of Sciences Kénitra, Morocco

Theories, Concepts and Méthodologies

- Nonlinear Dynamical Systems
- ODE, PDE, DDE, SDE, Statistics
- Complex networks, Complex Systems
- Bifurcation, Synchronization
- Modelling

Applications

- Biological networks
- Ecology and bio-systems
- Environmental Sciences and Ecosystems
- Epidemiology
- Neuroscience
