

FIRST INTERNATIONAL CONFERENCE ON INTERDISCIPLINARY FRONTIERS IN SCIENCE AND ENGINEERING CALL FOR PAPERS

"The important thing is to never stop questioning." – Albert Einstein

Submission Deadline **02th December, 2024**

TOPICS

- Biotechnology and Genetic Engineering
- Nanomaterials and Biomaterials
- Environmental Science and Sustainability
- Geology and Earth Sciences
- Water and Soil Management
- Chemical and Pharmaceutical Engineering
- Marine and Ocean Studies
- Earthquake and Disaster Engineering
- Artificial Intelligence and Predictive Modeling for Agriculture
- Smart Farming, Precision Agriculture, and IoT Applications
- Robotics and Automation in Agriculture and Food Industries
- Data Analytics, Blockchain, and Supply Chain Optimization
- Food Quality Control, Safety Systems, and Advanced Packaging Technologies
- Bioprocess Engineering, Agricultural Waste Management, and Resource Recovery
- Renewable Energy Integration in Agricultural Systems
- Sensor Technology for Soil, Crop Analysis, and Genetic Algorithms for Crop Breeding
- Food Quality Control, Safety Systems, and Advanced Packaging Technologies
- Bioprocess Engineering, Agricultural Waste Management, and Resource Recovery
- Renewable Energy Integration in Agricultural Systems
- Sensor Technology for Soil, Crop Analysis, and Genetic Algorithms for Crop Breeding

CATEGORY

- Communication with abstract only
- All abstracts will be published in an indexed journal in Scopus (Proceeding)
- Full papers will be published after the conference (Optional)

PARTICIPATION FEES

- Communication and abstract publication-----600 MDH
- Full Paper publication (After acceptance)-----1500 MDH

IMPORTANT DATES

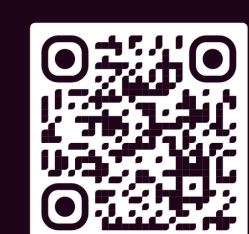

1. 02TH DECEMBER, 2023
Abstract Submission
2. 04TH DECEMBER, 2024
Registration
3. 10TH DECEMBER, 2024
Paper approval announcement
4. 12TH DECEMBER, 2024
Resubmission of the abstract
5. 12TH DECEMBER, 2024
Payment confirmation deadline
6. 25 TO 26TH DECEMBER, 2024
Congress date
